

Dear Parents and Carers,

**RE: Step up to Year 11**

In this week's Year 10 assembly, Mr Spencer and I spoke to students about the importance of their forthcoming Year 10 trial examinations and how they are now about to: 'Step up to Year 11'. As you will appreciate, Year 11 is a key time for your child and we want to ensure your child is ready for this final step in their learning journey.

To maximise your child's academic performance in their Year 10 trial exams and to enhance their knowledge and skills in readiness for next year we are pleased to inform you about the after-school enrichment sessions. The sessions will begin on Monday 17 June and run each week until the end of this term. We have created a new section of the website where you will find the most accurate and up to date information relating to this half term: [Year 10 - Step Up To Year 11 - Darton Academy](#)

<b>Monday</b>	After school - Maths
<b>Tuesday</b>	Home Study and Revision
<b>Wednesday</b>	After school - English
<b>Thursday</b>	After school - Science
<b>Friday</b>	After school - History, Geography, MFL

Students will be engaging in 'Subject Development Days' over the coming weeks. On these days, students will not follow their normal timetable, but instead will spend a full day working on completing coursework and curriculum content in their option subjects e.g. Technology, Art, Business, Sport Studies etc. Subject Development Days are vital in ensuring students complete all Year 10 content and are ready for the Year 11 content – we ensure students do not fall behind.

In addition to your parents evening appointments today, Mr Spencer and I will be offering a parental information workshop entitled 'Step up to Year 11'. Please feel free to join one of the following sessions held in the Lecture Theatre: 4.00-4.30 pm, 5.00-5.30pm and 6.00-6.30pm. The sessions are designed to give parents an insight into Year 11, we will discuss the above information in more detail, provide you with further key dates and explore how best to support your child's study skills.

---

...Changing lives

May I take this opportunity to thank you for the continued support. If you have any concerns or queries, then please do not hesitate to contact me directly or Mrs. Hope, Year 10 learning manager.

We look forward to seeing you at parent's evening.

Your sincerely,

Mrs. K. Gibson

Vice Principal
