

7th June 2024

Dear Parents & Carers

June trial examinations

Our end of Year 10 trials will begin on Wednesday 12th June and finish on 2nd July. Teachers will use the exams to see where pupils have gaps in knowledge so that intervention can be assigned moving into year 11. Intervention can include small group work, 121 tutoring, changing form group, placing pupils on effort report and mentoring. We will use the results to inform ability groups for maths, English and science. Pupils will be issued an individual timetable. The overview can be found below and on the academy website: <https://www.dartonacademy.org.uk/exam-information/>. During the trial exam period we have also scheduled several subject development days so that pupils can spend some time working on their coursework.

Please can you support your child by ensuring that they have 100% attendance during the trial exam period and are engaged in revision at home as well as at after school enrichment.

We would like to wish all year 10 students good luck in their upcoming trials.

Mr L Mazacs
Assistant Principal
