Dear Parents and Carers,

We are very proud of our enrichment programme at Darton and the number and variety of clubs on offer.

We are incredibly lucky that our staff are willing to offer such an array of opportunities for students as they know and appreciate the benefits they have. We had 380 students attend at least one enrichment club in the summer term, which is absolutely fantastic!

We have attached the enrichment schedule for this term and look forward to even more of our students benefiting from our offer. This will be updated and will remain on our website ([Enrichment - Darton Academy](#)) as we launch even more clubs during the term. Please also encourage your child to let their Form Tutors or myself know if there are any clubs that we do not currently offer that they would like to see on the schedule.

We do offer a late bus service for our students that choose to attend enrichments.

If you have any questions about enrichment, please feel free to contact myself.

Kind regards,

Mr Ashley
Assistant Principal
