- possession of an illegal drug with intent to supply;
- carrying an offensive weapon and / or weapon of offence;
- Bringing onto academy premises or being found in possession of anything that constitutes an offensive weapon, banned item or illegal substance

Illegal substances – THC Vape Pens

THC is the principal psychoactive constituent of cannabis and is a Class B drug.

A THC vape pen works by heating a THC oil cartridge with low, steady heat so vapor can be inhaled, and the drug can take effect quickly.

Some of the effects can include **anxiety, paranoia, hallucinations, impaired memory and depression and mental illness.**

The maximum sentence for possessing cannabis in any form is up to 5 years in prison, unlimited fine or both.

Supplying cannabis which includes giving it to friends for free or sharing it with them can lead to 14 years in prison, an unlimited fine or both.

Illegal substances – THC Vape Pens

Using or sharing a THC Vape Pen in school is illegal and will lead to a permanent exclusion

Sharing a THC Vape Pen with another pupil is classed as supplying
