

Pride Fridays

EVERY FRIDAY
2:30PM - W311

The LGBTQ+ Club at Darton meets every Friday at 2:30 pm, providing a welcoming space for LGBTQ+ students and allies to connect, share experiences, and support each other. The club's purpose is to foster inclusivity, raise awareness about LGBTQ+ issues, and celebrate diversity within the school community. Students love it because it's a safe space where they can be themselves without judgment, build friendships, and engage in meaningful discussions and activities. The club creates a strong sense of belonging, which helps everyone feel seen, accepted, and valued.
