

Exam Access Arrangements

Students in KS4 may receive access arrangements in order to support examinations. All access arrangements are on an individual basis and are as a result of testing to establish need. We endeavour to identify in KS3 if pupils may need additional arrangements to support examinations, however they will not be officially tested until year 10 via our external provider. More information on Exam Access Arrangements can be found:

Texthelp

Read&Write is our literacy support tool that offers help for everyday tasks. With tools to meet the needs of different learners, right across the curriculum. Like reading text out loud, understanding unfamiliar words and proofing written work.
